The Baltic Leadership Programme

A short recap!
Initially we did a lot of team building
We received tools on idea generation and how to be creative and dynamic
Project Leaders Dilemma
## The Dynamic Model

?
IDOART
Motivational Sun
We discussed cultural dilemmas and characteristics
Meetings
Recreate goals
Views on the good partnership
Explore mandates
Overcome language barriers
Focus on the energy of the partnership
Understand organisational cultures
Communicate
Meetings
Leadership: Top 3 across cultures

1. Listening skills

2. Ability to solve problems

1. Being there (presence)
Senders & receivers
Communication trends

1. Social media
2. Acceleration vs slowing down
3. TLA – Three Letter abbreviations
4. Less information – clearer messages
5. Virtual office space
6. Availability, Accessibility & Connectivity
7. Decrease in mass media
What’s useful so far?

- or how to connect the different sessions of BLP
1. Mind mapping:

Illustrate the transnational project developers toolbox
2. Laying out the process:

Point of departure

Finalized project proposal
1. Mind mapping:

2. Laying out the process:
Homework
- Test an exercise
- Book a meeting
  Wednesday 16–18
  Thursday 16–18
Project pitch!
Planning Brussels!
Have you learnt anything?
